

PROPOSED ARGO STEERING COMMITTEE CHARTER

SEP 17 1970

MAS A suggestion

The ARGO Committee is charged with the following tasks:

- a. To make available the products of the classified reconnaissance program for use by other Federal Agencies in the execution of their several responsibilities.
- b. To coordinate requests for such products by other Federal Agencies, and to manage the security interfaces on their acquisition and use.
- c. To provide a forum for interagency evaluation as to the utility of such products.
- d. To provide a forum for the review of the civilian agency remote sensing research by the intelligence community .
- e. Study in conjunction with the intelligence community means for sanitization and declassification of information derived from the covert systems.
